Albany Tennis Club, Ridgefield Park, Partridge Street entrance.

The Albany Tennis Club will be sponsoring weekly leagues and ladders this 2009 outdoor tennis season. ATC members and non-ATC members are welcome to participate – free to members and \$15 guest fee per match for non-members.

Leagues –

Beginning June 1st, weekly leagues in the mornings and the evenings during the week and on the weekends will be offered. Specific evenings will be selected for the men’s singles league, ladies’ singles league, men’s doubles league, etc., based on how many players commit. For example if we had 8 players for men’s singles there would be matches on two evenings or if we had 4 doubles teams we might play just on Sunday afternoons. It is likely that players will have bye weeks. To accommodate vacations the bye week players and a substitute list will be available to fill in.

Ladders –

Singles ladders will be maintained for men and ladies. Participants will be given each other’s contact information and the participants will set up their matches. The winner will receive the coveted ATC Cup to have until the next season.

Complete the information below and indicate your interests. Let me know of any special concerns or constraints you may have. Once the league has been developed, you will be notified and the league information will be posted on www.albanytennisclub.com Ladder standings (not contact information) will be available on the website. You can always call me with your comments or questions – 928 7507.
